MEMORANDUM FOR: Project Contracting Officer

14 March 1956

25X1A

REFERENCE : Memorandum for Project Director, from [REDACTED]
dated 9 March 1956, "Frequency Propagation
Studies for Project AQUATONE" (SAPC-4385)

1. The reference contains the recommendation that frequency propagation studies be authorized to be undertaken by [REDACTED] under an existing contract of the Office of Communications. My understanding from our conversation on this matter with [REDACTED] on 14 March is that it will be unnecessary for any personnel of the Company to be made witting in any way of AQUATONE. As to financing, it is my understanding that the cost would be borne by this Project and that funds would be transferred to the Office of Communications for this purpose.
